## ADMIRALTY OFFICE, June 22, 1821.

IN order to prevent inconvenience to individual Officers as well as to his Majesty's service, the Lords Commissioners of the Admiralty think it necessary to remind the Officers of his Majesty's Navy and Royal Marine Forces, that they cannot receive their Half-pay for any period during which they may be absent from this kingdom without their Lordships' leave; and that Officers who may wish to remain abroad beyond their original leave, should take care to apply for a renewal thereof in due time, so that such application may be received at this Office prior to the expiration of the former leave, as (unless very special circumstances can be stated in any particular case) no Half-pay can be paid for any period of absence abroad which shall not be covered by their Lordships' leave.

All applications, either for original leave, or for a renewal thereof, whether made through agents or otherwise, must be written by the Officer himself, and addressed to the Secretary of the Admiralty. Officers who may not employ an agent may have the public fees on their letters of leave deducted from their Half-pay, on specifying their desire to that effect in the letter asking for the leave.

This regulation will take effect from this date, with regard to all Officers hereafter applying for leave; and from the first of January next, with regard to Officers now abroad on the Continent of Europe or North America; and after the first of July, 1822, with regard to Officers in other parts of the world.

Nothing herein contained is to authorize any Officer to draw for Half-pay who is not now entitled by Law to do so.

J. W. CROKER.

J. W. CROKER.

## ADMIRALTY-OFFICE,

And We do hereby further order and direct, That the whole Amount of the said Freight, when received, shall be divided into Four Parts, and distributed as follows, subject to the Proviso herein-after mentioned; One Fourth to the Admiral or Admirals, if more than One on the Station or in the Squadron to which the Ship receiving Treasure on board may belong; Two Fourths to the Captain or Officer commanding such Ship or Vessel, who shall give his Receipt or sign the Bill of Lading for the Treasure; and One Fourth to Greenwich Hospital, for the Use of that Institution.

That when there shall be more than One Flag Officer on a Station, the said One Fourth Part shall be divided and distributed amongst the several Flag Officers on the Station in the following Proportions, *viz.*

If there be but Two Flag Officers, the Chief shall have Two Third Parts of the said One Fourth, and the other shall have the remaining Third Part; but if the Number of Flag Officers be more than Two, the Chief shall have only One Half, and the other Half shall be equally divided amongst the Junior Flag Officers; but if there be no Flag Officer on the Station, or that the Ship or Vessel be not under the Orders of a Flag Officer, then that the Captain or Officer commanding the Ship or Vessel shall have Three Fourths, and Greenwich Hospital One Fourth.

Provided that such Admiral or Admirals shall not be entitled to claim his or their respective Share or Shares in such Freight Money, otherwise than on Condition that he or they shall, before the Gold, Silver, Jewels, Treasure, or other Articles as aforesaid, shall be put on board such Ship or Vessel, have respectively given Notice in Writing to the Captain or Officer commanding such Ship or Vessel, or his

Agent, or have entered or caused to be entered in a Public Order Book on board the Ship of the Commander in Chief, or the Senior Flag Officer commanding on the Station or in the Squadron to which such Vessel belongs; or in case of a Junior Flag Officer absent from the Commander in Chief, unless such Junior Flag Officer shall have notified under his Hand to the Commander in Chief, to be entered in the said Order Book, an Engagement in Writing in Form or to the Effect following:

I, A. B. am desirous of partaking in the Advantages, with the Risks attendant thereon, arising out of the Conveyance of Freight of Treasure in any of the Ships or Vessels in the Squadron, [*or, in the particular Ship, as the Case may be*]; And I hereby engage to make good to the Captain or Captains, Officer or Officers commanding such Ships or Vessels respectively [*or, Ship or Vessel, as the Case may be*], such Part of any Loss or Damage for which he or they may be liable in respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled:

And that such Share or Shares of the Admiral or Admirals as aforesaid, to which he or they shall not be entitled on the Conditions herein-before expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Articles shall be carried on Freight as aforesaid.

That in the Event of Loss or Damage happening to the Gold, Silver, Jewels, or other Articles so received on Freight, exceeding the total Freight Money, Greenwich Hospital shall not be entitled to receive any Sum on account of such Freight; and in Cases in which the Loss may not amount to the Whole of the Freight Money, Greenwich Hospital shall be entitled only to its Proportion of the Balance of Freight Money over and above such Loss or Damage.

That Commodores, with Captains under them, and Captains of the Fleet, are to be considered, agreeably to the Rules of the Service, as Flag Officers; and Commodores, without Captains under them, shall, with respect to Freight, be also considered as Flag Officers when in the Command of a Station.

That when the Captain or Commander, or his Agent, shall have received the Freight, he shall pay over to the Senior Flag Officer and to the Treasurer of Greenwich Hospital, without Delay, their respective Shares, and the Captain shall be held responsible to both for any Loss which may occur through his Neglect or Delay in receiving or paying the same; but if there be any Question or Difficulty as to the Payment, he is to apprise the Senior Flag Officer and the Treasurer of Greenwich Hospital respectively of the Causes of such Delay.

That the Captain or Officer commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Green-

wich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure, and of the Freight paid or to be paid thereon.

That when the Treasure shall, during the Voyage, be transhipped into One or more Ships, the Freight shall be divided, *pro rata itineris*, among the Admirals and Captains who may be entitled to share therein, according to the Services performed by the different Ships respectively: and if any Difficulty or Dispute shall arise respecting such Division or Distribution, any Party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

Given at the Court at *Carlton House*, this Twelfth Day of *July*  
One thousand eight hundred and nineteen, in the Fifty-ninth  
Year of His Majesty's Reign.

GOD SAVE THE KING.

(Circular to the Naval Commanders-in-Chief.)

ADMIRALTY OFFICE,

SIR,

29th May, 1821.

My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board his Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of his Majesty's ships) among the Captains, as freight for conveyance would have been ;—in all cases Greenwich Hospital is to have a share, and where, after any such *deposit*, new bills of lading, or new orders for *conveyance*, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c.

J. W. CROKER.

## ADMIRALTY OFFICE,

July 1st, 1824.

THE King having been pleased, by his Order in Council of the 23d June, to establish a new and improved Scale for Victualling His Majesty's Navy, a Copy thereof is subjoined.

There shall be allowed to every Person serving in His Majesty's Ships, the following Daily Quantities of Provisions, viz.—

Bread.....	One Pound,
Beer .....	One Gallon,
Cocoa .....	One Ounce,
Sugar .....	One and Half Ounce,
Fresh Meat.....	One Pound,
Vegetables.....	Half Pound,
Tea .....	Quarter of an Ounce.

When Fresh Meat and Vegetables are not issued, there shall be allowed in lieu thereof

Salt Beef .....	$\frac{3}{4}$ lb.	} Alternately.
and Flour .....	$\frac{3}{4}$ lb.	
Salt Pork .....	$\frac{1}{4}$ lb.	} Alternately.
and Pease.....	$\frac{1}{2}$ pint.	

And Weekly, whether Fresh or Salt Meat is issued, Oatmeal Half Pint, Vinegar Half Pint.

On the days on which the Flour is ordered to be issued, Suet and Raisins, or Currants, may be substituted for a portion of Flour, at the following Rate.

One Pound of Raisins being considered equal to One Pound of Flour.

Half Pound of Currants	}	ditto	ditto.
Half Pound of Suet			

In case it should be found necessary to alter any of the above species of Provisions, and to issue others as their Substitutes, it is to be observed that

1 $\frac{1}{4}$ lb. of Soft Bread, or	} is to be considered equal to 1 lb. of Biscuit,
1 lb. of Rice, or .....	
1 lb. of Flour .....	
1 pint of Wine, or ....	} is to be considered equal to a Gallon of Beer.
$\frac{1}{4}$ pint of Spirits .....	
1 oz. of Coffee, or ....	} is to be considered equal to 1 oz. of Cocoa.
$\frac{1}{2}$ oz. of Tea .....	
1 lb. of Rice, or.....	} is to be considered equal to 1 pint of Peas.
1 pint of Calavances, or	
1 pint of Dhol .....	

1 lb. of Butter ..... is to be considered equal to 1 lb. of Sugar.  
 2 lbs. of Cheese ..... are to be considered equal to 1 lb. of Cocoa  
 $\frac{1}{4}$  lb. of Onions, or of Leeks, is to be considered equal to 1 lb. of other vegetables.

Flag Officers, Captains and other Commanding Officers, will observe in the above Scale, and will fully explain to the Ships Companies under their orders, the advantages of this new system, *viz.*, that what were called *banyan days* are abolished; that Meat, with Vegetables, Flour, or Pease, is to be issued every Day; that Flour, instead of being exchanged for a portion of Beef, will now become an article of the Men's regular Allowance, and that a quantity of Tea or Coffee, sufficient to make a Pint of liquid, will be issued every Evening.

It will be observed in the Table of Substitutes, that the quantity of Spirits to be issued in lieu of Beer or Wine is diminished One Half; but, in addition to the Pint of Tea or Coffee allowed in part compensation for this diminution of Spirits, His Majesty has been graciously pleased, in further and full compensation, to add Two Shillings per Month to the Pay of such Warrant Officers as do not rank with Lieutenants, and of each Petty and Non-commissioned Officer, Seaman, Marine, and Boy. As the diminution of Spirits only takes place when Beer and Wine are not issued, while the addition of Tea or Coffee and the increased Pay are permanent, it will be obvious how much this regulation is to the pecuniary advantage and comfort of the Ships' Companies, while it is confidently expected that the diminution in the article of Spirits will conduce to the Health of the People, and the good order and discipline of the Ships.

In addition to these advantages, it is intended that a certain portion of the Pay which may be due to each Warrant and Petty Officer (not allowed to draw Bills), and to each Non-commissioned Officer, Seaman, Marine, and Boy, who may be desirous of receiving it, shall be issued to them when in any Port abroad or at home, at the expiration of every One, Two, or Three Months, as the Captain may judge expedient, by way of Pocket Money, *viz.*, Four Shillings per Month to Warrant, Petty, and Non-commissioned Officers, Seamen and Marines, and Two Shillings to each Boy; but as the carrying this arrangement into full effect will require the sanction of the Legislature it is intended to submit a Bill to Parliament, early in the next Session, to authorize it; and in the mean while, in order to carry the same principle into effect as far as is at present practicable, the additional Two Shillings, now added to the Pay as compensation for part of the Spirits, will be paid to the before-mentioned classes, in the same way that *Short Allowance Money* is now paid.

The Lords Commissioners of the Admiralty, in communicating to the Fleet the gracious and beneficent intentions of The King, are satisfied that they will be received by the Officers and Men, as additional marks of His Majesty's favour, and as real and substantial improvements to the condition of the Petty and Non-commissioned Officers and Men.

*By Command of their Lordships,*

J. W. CROKER.

## ADMIRALTY-OFFICE,

July 1st, 1824.

HIS MAJESTY has been pleased, with a view to encourage and improve the Class of Persons intended to rise to the situation of Masters in the Royal Navy, to direct that a Class of Young Gentlemen intended for this Line shall be established under the title of *Volunteers of the Second Class*, ranking immediately after Volunteers of the First Class, with a Pay of £1 12s. per Mensem.

As it is intended that these Volunteers should be Persons of Education and attainments in such branches of Science as are connected with Navigation, Boys brought up at Christ's Hospital, or the Upper School of Greenwich, are to be considered as at once eligible to this Class, and Captains and Commanding Officers are authorized to appoint any such Boys to this rating.

If, however, any other Boys should offer for these situations, of adequate acquirements and abilities, the Captain or Commanding Officer will state the Name, Birth, Age, and Education of such Boy to the Secretary of the Admiralty, for their Lordship's sanction to his entry as a Volunteer of the Second Class.

His Majesty has been further pleased, in the same view, to establish a superior Class of Petty Officers, under the name of *Masters Assistants*, to rank immediately after the Midshipmen with a Monthly Pay of £3 11s.

These Officers are to be nominated by the respective Captains (except where the Lords Commissioners of the Admiralty may give special directions,) from the number of Volunteers of the Second Class, who may have served Two Years as such, or from any other Class, if the Person have the necessary information and acquirements, and shall have served in the Navy Three Years; but in case of any selection not made from the Volunteers of the First or Second Classes, or Midshipmen, the special case with the Name, Birth, Age, and Qualification of the Party is to be reported to the Secretary of the Admiralty.

Volunteers of the Second Class, and Masters Assistants, are to be considered on the footing of Young Gentlemen, and to mess with the Volunteers of the First Class, Midshipmen, Mates, &c.

If any Masters Mates, Midshipmen, or Volunteers of the First Class, now serving in the Fleet, should be desirous of being rated as Volunteers of the Second Class, or as Assistant Masters, the Captains and Commanding Officers are authorized so to rate them, agreeably to their respective Services and Qualifications; but Young Gentlemen entering into these Classes must observe that (although their pay be greater respectively than that of Volunteers of the First Class of Midshipmen), their promotion will (except in extraordinary cases) be confined to the line of Masters.

J. W. CROKER.

**THE** Publisher returns his acknowledgments to Correspondents who have obligingly favoured him with communications, which have been adopted, whenever they were compatible with the plan of the List, or conducive to its improvement. He requests the continuance of similar suggestions (POST PAID, or under cover to the Secretary of the Admiralty), which shall always receive his attention.

It is earnestly requested that Gentlemen desirous of having their wishes attended to should avail themselves of this last mode of corresponding with the Editor, as much unnecessary expense has already been incurred in Postage, and disappointment occasioned to the Parties themselves, whose Letters have not been noticed.

As the compilation of the *Quarterly HALF-PAY LIST* may be materially assisted by this Publication, Officers are earnestly requested to be as accurate as possible in the communication of such facts and dates as they are pleased to transmit.

But it is particularly to be understood that no alteration or correction in the List can be made unless the information is received prior to the 21st of the Month preceding the publication.

From the number of erroneous reports received of the Deaths of Officers, which in some cases have occasioned inconvenience to the Service, and considerable anxiety to the Families of individuals, it has been found absolutely necessary to discontinue the publishing of that information. In future the Names of Officers will not be omitted on the List until their Deaths shall have been officially reported, or fully ascertained by private information. But reports of such events are nevertheless acceptable, to enable the inquiry to be made.

---

N. B.—The Force of each Ship is stated (agreeably to the ancient practice of the Navy, and in obedience to His late Majesty's Order in Council) according to the Number of Guns and Carronades actually carried—and not according to the erroneous Denominations which had latterly grown into use.

ADMIRALTY OFFICE, *June 22, 1821.*

IN order to prevent inconvenience to individual Officers as well as to his Majesty's service, the Lords Commissioners of the Admiralty think it necessary to remind the Officers of his Majesty's Navy and Royal Marine Forces, that they cannot receive their Half-pay for any period during which they may be absent from this kingdom without their Lordships' leave; and that Officers who may wish to remain abroad beyond their original leave, should take care to apply for a renewal thereof in due time, so that such application may be received at this Office prior to the expiration of the former leave, as (unless very special circumstances can be stated in any particular case) no Half-pay can be paid for any period of absence abroad which shall not be covered by their Lordship's leave.

All applications, either for original leave, or for a renewal thereof, whether made through agents or otherwise, must be written by the Officer himself, and addressed to the Secretary of the Admiralty. Officers who may not employ an agent may have the public fees on their letters of leave deducted from their Half-pay, on specifying their desire to that effect in the letter asking for the leave.

This regulation will take effect from this date, with regard to all Officers hereafter applying for leave; and from the first of January next, with regard to Officers now abroad on the Continent of Europe or North America; and after the first of July, 1822, with regard to Officers in other parts of the world.

Nothing herein contained is to authorize any Officer to draw for Half-pay who is not now entitled by Law to do so.

**J. W. CROKER.**

Agent, or have entered or caused to be entered in a Public Order Book on board the Ship of the Commander in Chief, or the Senior Flag Officer commanding on the Station or in the Squadron to which such Vessel belongs; or in case of a Junior Flag Officer absent from the Commander in Chief, unless such Junior Flag Officer shall have notified under his Hand to the Commander in Chief, to be entered in the said Order Book, an Engagement in Writing in Form or to the Effect following:

I, *A. B.* am desirous of partaking in the Advantages, with the Risks attendant thereon, arising out of the Conveyance of Freight of Treasure in any of the Ships or Vessels in the Squadron, [*or, in the particular Ship, as the Case may be*]; And I hereby engage to make good to the Captain or Captains, Officer or Officers commanding such Ships or Vessels respectively [*or, Ship or Vessel, as the Case may be*], such Part of any Loss or Damage for which he or they may be liable in respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled:

And that such Share or Shares of the Admiral or Admirals as aforesaid, to which he or they shall not be entitled on the Conditions herein-before expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Articles shall be carried on Freight as aforesaid.

That in the Event of Loss or Damage happening to the Gold, Silver, Jewels, or other Articles so received on Freight, exceeding the total Freight Money, Greenwich Hospital shall not be entitled to receive any Sum on account of such Freight; and in Cases in which the Loss may not amount to the Whole of the Freight Money, Greenwich Hospital shall be entitled only to its Proportion of the Balance of Freight Money over and above such Loss or Damage.

That Commodores, with Captains under them, and Captains of the Fleet, are to be considered, agreeably to the Rules of the Service, as Flag Officers; and Commodores, without Captains under them, shall, with respect to Freight, be also considered as Flag Officers when in the Command of a Station.

That when the Captain or Commander, or his Agent, shall have received the Freight, he shall pay over to the Senior Flag Officer and to the Treasurer of Greenwich Hospital, without Delay, their respective Shares, and the Captain shall be held responsible to both for any Loss which may occur through his Neglect or Delay in receiving or paying the same; but if there be any Question or Difficulty as to the Payment, he is to apprise the Senior Flag Officer and the Treasurer of Greenwich Hospital respectively of the Causes of such Delay.

That the Captain or Officer commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Green-

wich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure, and of the Freight paid or to be paid thereon.

That when the Treasure shall, during the Voyage, be transhipped into One or more Ships, the Freight shall be divided, *pro rata itineris*, among the Admirals and Captains who may be entitled to share therein, according to the Services performed by the different Ships respectively: and if any Difficulty or Dispute shall arise respecting such Division or Distribution, any Party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

Given at the Court at *Carlton House*, this Twelfth Day of *July*  
One thousand eight hundred and nineteen, in the Fifty-ninth  
Year of His Majesty's Reign.

GOD SAVE THE KING.

(Circular to the Naval Commanders-in-Chief.)

ADMIRALTY OFFICE,

SIR,

29th May, 1821.

My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board his Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of his Majesty's ships) among the Captains, as freight for conveyance would have been ;—in all cases Greenwich Hospital is to have a share, and where, after any such *deposit*, new bills of lading, or new orders for *conveyance*, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c.

J. W. CROKER.

## ADMIRALTY OFFICE,

July 1st, 1824.

THE King having been pleased, by his Order in Council of the 23d June, to establish a new and improved Scale for Victualling His Majesty's Navy, a Copy thereof is subjoined.

There shall be allowed to every Person serving in His Majesty's Ships, the following Daily Quantities of Provisions, viz.—

Bread.....	One Pound,
Beer .....	One Gallon,
Cocoa .....	One Ounce,
Sugar .....	One and Half Ounce,
Fresh Meat.....	One Pound,
Vegetables.....	Half Pound,
Tea .....	Quarter of an Ounce.

When Fresh Meat and Vegetables are not issued, there shall be allowed in lieu thereof

Salt Beef .....	$\frac{3}{4}$ lb.	} Alternately.
and Flour .....	$\frac{3}{4}$ lb.	
Salt Pork .....	$\frac{3}{4}$ lb.	} Alternately.
and Pease.....	$\frac{1}{2}$ pint.	

And Weekly, whether Fresh or Salt Meat is issued, Oatmeal Half Pint, Vinegar Half Pint.

On the days on which the Flour is ordered to be issued, Suet and Raisins, or Currants, may be substituted for a portion of Flour, at the following Rate.

One Pound of Raisins being considered equal to One Pound of Flour.	
Half Pound of Currants	} ditto
Half Pound of Suet	} ditto.

In case it should be found necessary to alter any of the above species of Provisions, and to issue others as their Substitutes, it is to be observed that

1 $\frac{1}{2}$ lb. of Soft Bread, or	} is to be considered equal to 1 lb. of Biscuit.
1 lb. of Rice, or .....	
1 lb. of Flour .....	
1 pint of Wine, or ....	} is to be considered equal to a Gallon of Beer.
$\frac{1}{4}$ pint of Spirits .....	
1 oz. of Coffee, or ....	} is to be considered equal to 1 oz. of Cocoa.
$\frac{1}{2}$ oz. of Tea .....	
1 lb. of Rice, or.....	} is to be considered equal to 1 pint of Peas.
1 pint of Calavances, or	
1 pint of Dhall .....	

1 lb. of Butter ..... is to be considered equal to 1 lb. of Sugar.  
 2 lbs. of Cheese ..... are to be considered equal to 1 lb. of Cocoa  
 $\frac{1}{4}$  lb. of Onions, or of Leeks, is to be considered equal to 1 lb. of other  
 vegetables.

Flag Officers, Captains and other Commanding Officers, will observe in the above Scale, and will fully explain to the Ships Companies under their orders, the advantages of this new system, *viz.*, that what were called *banyan days* are abolished; that Meat, with Vegetables, Flour, or Pease, is to be issued every Day; that Flour, instead of being exchanged for a portion of Beef, will now become an article of the Men's regular Allowance, and that a quantity of Tea or Coffee, sufficient to make a Pint of liquid, will be issued every Evening.

It will be observed in the Table of Substitutes, that the quantity of Spirits to be issued in lieu of Beer or Wine is diminished One Half; but, in addition to the Pint of Tea or Coffee allowed in part compensation for this diminution of Spirits, His Majesty has been graciously pleased, in further and full compensation, to add Two Shillings per Month to the Pay of such Warrant Officers as do not rank with Lieutenants, and of each Petty and Non-commissioned Officer, Seaman, Marine, and Boy. As the diminution of Spirits only takes place when Beer and Wine are not issued, while the addition of Tea or Coffee and the increased Pay are permanent, it will be obvious how much this regulation is to the pecuniary advantage and comfort of the Ships' Companies, while it is confidently expected that the diminution in the article of Spirits will conduce to the Health of the People, and the good order and discipline of the Ships.

In addition to these advantages, it is intended that a certain portion of the Pay which may be due to each Warrant and Petty Officer (not allowed to draw Bills), and to each Non-commissioned Officer, Seaman, Marine, and Boy, who may be desirous of receiving it, shall be issued to them when in any Port abroad or at home, at the expiration of every One, Two, or Three Months, as the Captain may judge expedient, by way of Pocket Money, *viz.*, Four Shillings per Month to Warrant, Petty, and Non-commissioned Officers, Seamen and Marines, and Two Shillings to each Boy; but as the carrying this arrangement into full effect will require the sanction of the Legislature it is intended to submit a Bill to Parliament, early in the next Session, to authorize it; and in the mean while, in order to carry the same principle into effect as far as is at present practicable, the additional Two Shillings, now added to the Pay as compensation for part of the Spirits, will be paid to the before-mentioned classes, in the same way that *Short Allowance* Money is now paid.

The Lords Commissioners of the Admiralty, in communicating to the Fleet the gracious and beneficent intentions of The King, are satisfied that they will be received by the Officers and Men, as additional marks of His Majesty's favour, and as real and substantial improvements to the condition of the Petty and Non-commissioned Officers and Men.

*By Command of their Lordships,*

J. W. CROKER.

HIS MAJESTY has been pleased, with a view to encourage and improve the Class of Persons intended to rise to the situation of Masters in the Royal Navy, to direct that a Class of Young Gentlemen intended for this Line shall be established under the title of *Volunteers of the Second Class*, ranking immediately after Volunteers of the First Class, with a Pay of £1 12s. per Mensem.

As it is intended that these Volunteers should be Persons of Education and attainments in such branches of Science as are connected with Navigation, Boys brought up at Christ's Hospital, or the Upper School of Greenwich, are to be considered as at once eligible to this Class, and Captains and Commanding Officers are authorized to appoint any such Boys to this rating.

If, however, any other Boys should offer for these situations, of adequate acquirements and abilities, the Captain or Commanding Officer will state the Name, Birth, Age, and Education of such Boy to the Secretary of the Admiralty, for their Lordship's sanction to his entry as a Volunteer of the Second Class.

His Majesty has been further pleased, in the same view, to establish a superior Class of Petty Officers, under the name of *Masters Assistants*, to rank immediately after the Midshipmen with a Monthly Pay of £3 11s.

These Officers are to be nominated by the respective Captains (except where the Lords Commissioners of the Admiralty may give special directions,) from the number of Volunteers of the Second Class, who may have served Two Years as such, or from any other Class, if the Person have the necessary information and acquirements, and shall have served in the Navy Three Years; but in case of any selection not made from the Volunteers of the First or Second Classes, or Midshipmen, the special case with the Name, Birth, Age, and Qualification of the Party is to be reported to the Secretary of the Admiralty.

Volunteers of the Second Class, and Masters Assistants, are to be considered on the footing of Young Gentlemen, and to mess with the Volunteers of the First Class, Midshipmen, Mates, &c.

If any Masters Mates, Midshipmen, or Volunteers of the First Class, now serving in the Fleet, should be desirous of being rated as Volunteers of the Second Class, or as Assistant Masters, the Captains and Commanding Officers are authorized so to rate them, agreeably to their respective Services and Qualifications; but Young Gentlemen entering into these Classes must observe that (although their pay be greater respectively than that of Volunteers of the First Class of Midshipmen), their promotion will (except in extraordinary cases) be confined to the line of Masters.

J. W. CROKER.

**THE** Publisher returns his acknowledgments to Correspondents who have obligingly favoured him with communications, which have been adopted, whenever they were compatible with the plan of the List, or conducive to its improvement. He requests the continuance of similar suggestions (**POST PAID**, or under cover to the Secretary of the Admiralty), which shall always receive his attention.

It is earnestly requested that Gentlemen desirous of having their wishes attended to should avail themselves of this last mode of corresponding with the Editor, as much unnecessary expense has already been incurred in Postage, and disappointment occasioned to the Parties themselves, whose Letters have not been noticed.

As the compilation of the Quarterly HALF-PAY LIST may be materially assisted by this Publication, Officers are earnestly requested to be as accurate as possible in the communication of such facts and dates as they are pleased to transmit.

But it is particularly to be understood that no alteration or correction in the List can be made unless the information is received prior to the 21st of the Month preceding the publication.

From the number of erroneous reports received of the Deaths of Officers, which in some cases have occasioned inconvenience to the Service, and considerable anxiety to the Families of individuals, it has been found absolutely necessary to discontinue the publishing of that information. In future the Names of Officers will not be omitted on the List until their Deaths shall have been officially reported, or fully ascertained by private information. But reports of such events are nevertheless acceptable, to enable the inquiry to be made.

---

N. B.—The Force of each Ship is stated (agreeably to the ancient practice of the Navy, and in obedience to His late Majesty's Order in Council) according to the Number of Guns and Carronades actually carried—and not according to the erroneous Denominations which had latterly grown into use.

*Payable Quarterly.*ADMIRALTY OFFICE, *June 22, 1821.*

IN order to prevent inconvenience to individual Officers as well as to his Majesty's service, the Lords Commissioners of the Admiralty think it necessary to remind the Officers of his Majesty's Navy and Royal Marine Forces, that they cannot receive their Half-pay for any period during which they may be absent from this kingdom without their Lordships' leave; and that Officers who may wish to remain abroad beyond their original leave, should take care to apply for a renewal thereof in due time, so that such application may be received at this Office prior to the expiration of the former leave, as (unless very special circumstances can be stated in any particular case) no Half-pay can be paid for any period of absence abroad which shall not be covered by their Lordship's leave.

All applications, either for original leave, or for a renewal thereof, whether made through agents or otherwise, must be written by the Officer himself, and addressed to the Secretary of the Admiralty. Officers who may not employ an agent may have the public fees on their letters of leave deducted from their Half-pay, on specifying their desire to that effect in the letter asking for the leave.

This regulation will take effect from this date, with regard to all Officers hereafter applying for leave; and from the first of January next, with regard to Officers now abroad on the Continent of Europe or North America; and after the first of July, 1822, with regard to Officers in other parts of the world.

Nothing herein contained is to authorize any Officer to draw for Half-pay who is not now entitled by Law to do so.

J. W. CROKER.

I, *A. B.* am desirous of partaking in the Advantages, with the Risks attendant thereon, arising out of the Conveyance of Freight of Treasure in any of the Ships or Vessels in the Squadron, [*in the particular Ship, as the Case may be*]; And I hereby engage to make good to the Captain or Captains, Officer or Officers commanding such Ships or Vessels respectively [*or, Ship or Vessel, as the Case may be*], such Part of any Loss or Damage for which he or they may be liable in respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled:

And that such Share or Shares of the Admiral or Admirals as aforesaid, to which he or they shall not be entitled on the Conditions herein-before expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Articles shall be carried on Freight as aforesaid.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

Given at the Court at *Carlton House*, this Twelfth Day of *July*  
One thousand eight hundred and nineteen, in the Fifty-ninth  
Year of His Majesty's Reign.

GOD SAVE THE KING.

(Circular to the Naval Commanders-in-Chief.)

ADMIRALTY OFFICE,

SIR,

29th May, 1821.

My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board his Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of his Majesty's ships) among the Captains, as freight for conveyance would have been ;—in all cases Greenwich Hospital is to have a share, and where, after any such *deposit*, new bills of lading, or new orders for *conveyance*, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c.

J. W. CROKER.

## ADMIRALTY OFFICE,

July 1st, 1824.

THE King having been pleased, by his Order in Council of the 23d June, to establish a new and improved Scale for Victualling His Majesty's Navy, a Copy thereof is subjoined.

There shall be allowed to every Person serving in His Majesty's Ships, the following Daily Quantities of Provisions, viz.—

Bread.....	One Pound,
Beer .....	One Gallon,
Cocoa .....	One Ounce,
Sugar .....	One and Half Ounce,
Fresh Meat.....	One Pound,
Vegetables.....	Half Pound,
Tea .....	Quarter of an Ounce.

When Fresh Meat and Vegetables are not issued, there shall be allowed in lieu thereof

Salt Beef .....	$\frac{3}{4}$ lb.	} Alternately.
and Flour .....	$\frac{3}{4}$ lb.	
Salt Pork .....	$\frac{3}{4}$ lb.	} Alternately.
and Pease.....	$\frac{1}{2}$ pint.	

And Weekly, whether Fresh or Salt Meat is issued, Oatmeal Half Pint, Vinegar Half Pint.

On the days on which the Flour is ordered to be issued, Suet and Raisins, or Currants, may be substituted for a portion of Flour, at the following Rate.

One Pound of Raisins being considered equal to One Pound of Flour.	
Half Pound of Currants	ditto
Half Pound of Suet	ditto.

In case it should be found necessary to alter any of the above species of Provisions, and to issue others as their Substitutes, it is to be observed that

1 $\frac{1}{2}$ lb. of Soft Bread, or	} is to be considered equal to 1 lb. of Biscuit.
1 lb. of Rice, or .....	
1 lb. of Flour .....	
1 pint of Wine, or ....	} is to be considered equal to a Gallon of Beer.
$\frac{1}{4}$ pint of Spirits .....	
1 oz. of Coffee, or ....	} is to be considered equal to 1 oz. of Cocoa.
$\frac{1}{2}$ oz. of Tea .....	
1 lb. of Rice, or.....	} is to be considered equal to 1 pint of Peas.
1 pint of Calavances, or	
1 pint of Dholl .....	

1 lb. of Butter ..... is to be considered equal to 1 lb. of Sugar.  
 2 lbs. of Cheese ..... are to be considered equal to 1 lb. of Cocoa  
 $\frac{1}{4}$  lb. of Onions, or of Leeks, is to be considered equal to 1 lb. of other vegetables.

Flag Officers, Captains and other Commanding Officers, will observe in the above Scale, and will fully explain to the Ships Companies under their orders, the advantages of this new system, *viz.*, that what were called *banyan days* are abolished; that Meat, with Vegetables, Flour, or Pease, is to be issued every Day; that Flour, instead of being exchanged for a portion of Beef, will now become an article of the Men's regular Allowance, and that a quantity of Tea or Coffee, sufficient to make a Pint of liquid, will be issued every Evening.

It will be observed in the Table of Substitutes, that the quantity of Spirits to be issued in lieu of Beer or Wine is diminished One Half; but, in addition to the Pint of Tea or Coffee allowed in part compensation for this diminution of Spirits, His Majesty has been graciously pleased, in further and full compensation, to add Two Shillings per Month to the Pay of such Warrant Officers as do not rank with Lieutenants, and of each Petty and Non-commissioned Officer, Seaman, Marine, and Boy. As the diminution of Spirits only takes place when Beer and Wine are not issued, while the addition of Tea or Coffee and the increased Pay are permanent, it will be obvious how much this regulation is to the pecuniary advantage and comfort of the Ships' Companies, while it is confidently expected that the diminution in the article of Spirits will conduce to the Health of the People, and the good order and discipline of the Ships.

In addition to these advantages, it is intended that a certain portion of the Pay which may be due to each Warrant and Petty Officer (not allowed to draw Bills), and to each Non-commissioned Officer, Seaman, Marine, and Boy, who may be desirous of receiving it, shall be issued to them when in any Port abroad or at home, at the expiration of every One, Two, or Three Months, as the Captain may judge expedient, by way of Pocket Money, *viz.*, Four Shillings per Month to Warrant, Petty, and Non-commissioned Officers, Seamen and Marines, and Two Shillings to each Boy; but as the carrying this arrangement into full effect will require the sanction of the Legislature it is intended to submit a Bill to Parliament, early in the next Session, to authorize it; and in the mean while, in order to carry the same principle into effect as far as is at present practicable, the additional Two Shillings, now added to the Pay as compensation for part of the Spirits, will be paid to the before-mentioned classes, in the same way that *Short Allowance Money* is now paid.

The Lords Commissioners of the Admiralty, in communicating to the Fleet the gracious and beneficent intentions of The King, are satisfied that they will be received by the Officers and Men, as additional marks of His Majesty's favour, and as real and substantial improvements to the condition of the Petty and Non-commissioned Officers and Men.

*By Command of their Lordships,*

J. W. CROKER.

## ADMIRALTY-OFFICE,

July 1st, 1824.

HIS MAJESTY has been pleased, with a view to encourage and improve the Class of Persons intended to rise to the situation of Masters in the Royal Navy, to direct that a Class of Young Gentlemen intended for this Line shall be established under the title of *Volunteers of the Second Class*, ranking immediately after Volunteers of the First Class, with a Pay of £1 12s. per Mensem.

As it is intended that these Volunteers should be Persons of Education and attainments in such branches of Science as are connected with Navigation, Boys brought up at Christ's Hospital, or the Upper School of Greenwich, are to be considered as at once eligible to this Class, and Captains and Commanding Officers are authorized to appoint any such Boys to this rating.

If, however, any other Boys should offer for these situations, of adequate acquirements and abilities, the Captain or Commanding Officer will state the Name, Birth, Age, and Education of such Boy to the Secretary of the Admiralty, for their Lordship's sanction to his entry as a Volunteer of the Second Class.

His Majesty has been further pleased, in the same view, to establish a superior Class of Petty Officers, under the name of *Masters Assistants*, to rank immediately after the Midshipmen with a Monthly Pay of £3 11s.

These Officers are to be nominated by the respective Captains (except where the Lords Commissioners of the Admiralty may give special directions,) from the number of Volunteers of the Second Class, who may have served Two Years as such, or from any other Class, if the Person have the necessary information and acquirements, and shall have served in the Navy Three Years; but in case of any selection not made from the Volunteers of the First or Second Classes, or Midshipmen, the special case with the Name, Birth, Age, and Qualification of the Party is to be reported to the Secretary of the Admiralty.

Volunteers of the Second Class, and Masters Assistants, are to be considered on the footing of Young Gentlemen, and to mess with the Volunteers of the First Class, Midshipmen, Mates, &c.

If any Masters Mates, Midshipmen, or Volunteers of the First Class, now serving in the Fleet, should be desirous of being rated as Volunteers of the Second Class, or as Assistant Masters, the Captains and Commanding Officers are authorized so to rate them, agreeably to their respective Services and Qualifications; but Young Gentlemen entering into these Classes must observe that (although their pay be greater respectively than that of Volunteers of the First Class or Midshipmen), their promotion will (except in extraordinary cases) be confined to the line of Masters.

J. W. CROKER.

 PUBLISHED BY JOHN MURRAY,  
Bookseller to the Admiralty and Board of Longitude,  
ALBEMARLE STREET, LONDON.

*THE Publisher returns his acknowledgments to Correspondents who have obligingly favoured him with communications, which have been adopted, whenever they were compatible with the plan of the List, or conducive to its improvement. He requests the continuance of similar suggestions (POST PAID, or under cover to the Secretary of the Admiralty), which shall always receive his attention.*

*It is earnestly requested that Gentlemen desirous of having their wishes attended to should avail themselves of this last mode of corresponding with the Editor, as much unnecessary expense has already been incurred in Postage, and disappointment occasioned to the Parties themselves, whose Letters have not been noticed.*

*As the compilation of the Quarterly HALF-PAY LIST may be materially assisted by this Publication, Officers are earnestly requested to be as accurate as possible in the communication of such facts and dates as they are pleased to transmit.*

*But it is particularly to be understood that no alteration or correction in the List can be made unless the information is received prior to the 21st of the Month preceding the publication.*

*From the number of erroneous reports received of the Deaths of Officers, which in some cases have occasioned inconvenience to the Service, and considerable anxiety to the Families of individuals, it has been found absolutely necessary to discontinue the publishing of that information. In future the Names of Officers will not be omitted on the List until their Deaths shall have been officially reported, or fully ascertained by private information. But reports of such events are nevertheless acceptable, to enable the inquiry to be made.*

*N. B.—The Force of each Ship is stated (agreeably to the ancient practice of the Navy, and in obedience to His late Majesty's Order in Council) according to the Number of Guns and Carronades actually carried—and not according to the erroneous Denominations which had latterly grown into use.*

ADMIRALTY OFFICE, *June 22, 1821.*

In order to prevent inconvenience to individual Officers as well as to his Majesty's service, the Lords Commissioners of the Admiralty think it necessary to remind the Officers of his Majesty's Navy and Royal Marine Forces, that they cannot receive their Half-pay for any period during which they may be absent from this kingdom without their Lordships' leave; and that Officers who may wish to remain abroad beyond their original leave, should take care to apply for a renewal thereof in due time, so that such application may be received at this Office prior to the expiration of the former leave, as (unless very special circumstances can be stated in any particular case) no Half-pay can be paid for any period of absence abroad which shall not be covered by their Lordship's leave.

All applications, either for original leave, or for a renewal thereof, whether made through agents or otherwise, must be written by the Officer himself, and addressed to the Secretary of the Admiralty. Officers who may not employ an agent may have the public fees on their letters of leave deducted from their Half-pay, on specifying their desire to that effect in the letter asking for the leave.

This regulation will take effect from this date, with regard to all Officers hereafter applying for leave; and from the first of January next, with regard to Officers now abroad on the Continent of Europe or North America; and after the first of July, 1822, with regard to Officers in other parts of the world.

Nothing herein contained is to authorize any Officer to draw for Half-pay who is not now entitled by Law to do so.

J. W. CROKER.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

Given at the Court at *Carlton House*, this Twelfth Day of *July*  
One thousand eight hundred and nineteen, in the Fifty-ninth  
Year of His Majesty's Reigu.

GOD SAVE THE KING.

(Circular to the Naval Commanders-in-Chief.)

ADMIRALTY OFFICE,

SIR,

29th May, 1821.

My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board his Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of his Majesty's ships) among the Captains, as freight for conveyance would have been ;—in all cases Greenwich Hospital is to have a share, and where, after any such *deposit*, new bills of lading, or new orders for *conveyance*, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c.

J. W. CROKER.

1 pint of Dholl .....	

1 lb. of Butter ..... is to be considered equal to 1 lb. of Sugar.  
 2 lbs. of Cheese ..... are to be considered equal to 1 lb. of Cocoa  
 $\frac{1}{4}$  lb. of Onions, or of Leeks, is to be considered equal to 1 lb. of other vegetables.

Flag Officers, Captains and other Commanding Officers, will observe in the above Scale, and will fully explain to the Ships Companies under their orders, the advantages of this new system viz., that what were called *banyan days* are abolished; that Meat, with Vegetables, Flour, or Pease, is to be issued every Day; that Flour, instead of being exchanged for a portion of Beef, will now become an article of the Men's regular Allowance, and that a quantity of Tea or Coffee, sufficient to make a Pint of liquid, will be issued every Evening.

It will be observed in the Table of Substitutes, that the quantity of Spirits to be issued in lieu of Beer or Wine is diminished One Half; but, in addition to the Pint of Tea or Coffee allowed in part compensation for this diminution of Spirits, His Majesty has been graciously pleased, in further and full compensation, to add Two Shillings per Month to the Pay of such Warrant Officers as do not rank with Lieutenants, and of each Petty and Non-commissioned Officer, Seaman, Marine, and Boy. As the diminution of Spirits only takes place when Beer and Wine are not issued, while the addition of Tea or Coffee and the increased Pay are permanent, it will be obvious how much this regulation is to the pecuniary advantage and comfort of the Ships' Companies, while it is confidently expected that the diminution in the article of Spirits will conduce to the Health of the People, and the good order and discipline of the Ships.

In addition to these advantages, it is intended that a certain portion of the Pay which may be due to each Warrant and Petty Officer (not allowed to draw Bills), and to each Non-commissioned Officer, Seaman, Marine, and Boy, who may be desirous of receiving it, shall be issued to them when in any Port abroad or at home, at the expiration of every One, Two, or Three Months, as the Captain may judge expedient, by way of Pocket Money, viz., Four Shillings per Month to Warrant, Petty, and Non-commissioned Officers, Seamen and Marines, and Two Shillings to each Boy; but as the carrying this arrangement into full effect will require the sanction of the Legislature it is intended to submit a Bill to Parliament, early in the next Session, to authorize it; and in the mean while, in order to carry the same principle into effect as far as is at present practicable, the additional Two Shillings, now added to the Pay as compensation for part of the Spirits, will be paid to the before-mentioned classes, in the same way that *Short Allowance Money* is now paid.

The Lords Commissioners of the Admiralty, in communicating to the Fleet the gracious and beneficent intentions of The King, are satisfied that they will be received by the Officers and Men, as additional marks of His Majesty's favour, and as real and substantial improvements to the condition of the Petty and Non-commissioned Officers and Men.

*By Command of their Lordships,*

J. W. CROKER.

## ADMIRALTY-OFFICE,

July 1st, 1824.

HIS MAJESTY has been pleased, with a view to encourage and improve the Class of Persons intended to rise to the situation of Masters in the Royal Navy, to direct that a Class of Young Gentlemen intended for this Line shall be established under the title of *Volunteers of the Second Class*, ranking immediately after Volunteers of the First Class, with a Pay of £1 12s. per Mensem.

As it is intended that these Volunteers should be Persons of Education and attainments in such branches of Science as are connected with Navigation, Boys brought up at Christ's Hospital, or the Upper School of Greenwich, are to be considered as at once eligible to this Class, and Captains and Commanding Officers are authorized to appoint any such Boys to this rating.

If, however, any other Boys should offer for these situations, of adequate acquirements and abilities, the Captain or Commanding Officer will state the Name, Birth, Age, and Education of such Boy to the Secretary of the Admiralty, for their Lordship's sanction to his entry as a Volunteer of the Second Class.

His Majesty has been further pleased, in the same view, to establish a superior Class of Petty Officers, under the name of *Masters Assistants*, to rank immediately after the Midshipmen with a Monthly Pay of £3 11s.

These Officers are to be nominated by the respective Captains (except where the Lords Commissioners of the Admiralty may give special directions,) from the number of Volunteers of the Second Class, who may have served Two Years as such, or from any other Class, if the Person have the necessary information and acquirements, and shall have served in the Navy Three Years; but in case of any selection not made from the Volunteers of the First or Second Classes, or Midshipmen, the special case with the Name, Birth, Age, and Qualification of the Party is to be reported to the Secretary of the Admiralty.

Volunteers of the Second Class, and Masters Assistants, are to be considered on the footing of Young Gentlemen, and to mess with the Volunteers of the First Class, Midshipmen, Mates, &c.

If any Masters Mates, Midshipmen, or Volunteers of the First Class, now serving in the Fleet, should be desirous of being rated as Volunteers of the Second Class, or as Assistant Masters, the Captains and Commanding Officers are authorized so to rate them, agreeably to their respective Services and Qualifications; but Young Gentlemen entering into these Classes must observe that (although their pay be greater respectively than that of Volunteers of the First Class of Midshipmen), their promotion will (except in extraordinary cases) be confined to the line of Masters.

J. W. CROKER.

19th June, 1827.

His Royal Highness the Lord High Admiral taking into his consideration the importance to His Majesty's Service of that valuable class of men, the Petty Officers of the Royal Navy, and desirous of giving them such encouragement as may render them more respectable in their own opinion and in that of the Seamen of the Fleet in general, has been pleased to make the following regulations:—

1. No Petty Officer of either class, shall be liable to corporal punishment as long as he is so rated, except by sentence of a Court Martial; but the Captains and Commanders of His Majesty's Ships and Vessels have the same authority as heretofore as to rating and disrating such Petty Officers, agreeably to their conduct and qualifications; and whenever a Petty Officer shall be disrated, it shall be mentioned in the Log Book, with the reason which induced the Captain so to disrate him: and when it shall be done as a punishment, that fact, and the circumstances of the misconduct shall be also reported in the Quarterly Return of Punishments.

2. Whenever a Ship shall be paid off, such of the Petty Officers as shall desire it, shall be turned over to the Flag Ship at the Port, and borne on her Books as Supernumeraries, with the same Ratings and Pay as in the Ships whence they came, and shall be allowed a reasonable interval of absence on leave, on their due return from which, they will be placed in sea-going Ships, with the same Ratings, and the Pay of the Rate of the Ship to which they shall be respectively appointed.

3. The Petty Officers (who have not already a uniform,) shall wear a mark of distinction on the upper part of the left sleeve of their jackets, viz.

PUBLISHED BY JOHN MURRAY,

Bookseller to the Admiralty and Board of Longitude,  
ALBEMARLE STREET, LONDON.

---

**THE** Publisher returns his acknowledgments to Correspondents who have obligingly favoured him with communications, which have been adopted, whenever they were compatible with the plan of the List, or conducive to its improvement. He requests the continuance of similar suggestions (**POST PAID**, or under cover to the Secretary of the Admiralty), which shall always receive his attention.

It is earnestly requested that Gentlemen desirous of having their wishes attended to should avail themselves of this last mode of corresponding with the Editor, as much unnecessary expense has already been incurred in Postage, and disappointment occasioned to the Parties themselves, whose Letters have not been noticed.

As the compilation of the Quarterly HALF-PAY LIST may be materially assisted by this Publication, Officers are earnestly requested to be as accurate as possible in the communication of such facts and dates as they are pleased to transmit.

But it is particularly to be understood that no alteration or correction in the List can be made unless the information is received prior to the 21st of the Month preceding the publication.

From the number of erroneous reports received of the Deaths of Officers, which in some cases have occasioned inconvenience to the Service, and considerable anxiety to the Families of individuals, it has been found absolutely necessary to discontinue the publishing of that information. In future the Names of Officers will not be omitted on the List until their Deaths shall have been officially reported, or fully ascertained by private information. But reports of such events are nevertheless acceptable, to enable the inquiry to be made.

---

N. B.—The Force of each Ship is stated (agreeably to the ancient practice of the Navy, and in obedience to His late Majesty's Order in Council) according to the Number of Guns and Carronades actually carried—and not according to the erroneous Denominations which had utterly grown into use.

## ADMIRALTY OFFICE, June 22, 1821.

In order to prevent inconvenience to individual Officers as well as to his Majesty's service, the Lords Commissioners of the Admiralty think it necessary to remind the Officers of his Majesty's Navy and Royal Marine Forces, that they cannot receive their Half-pay for any period during which they may be absent from this kingdom without their Lordships' leave; and that Officers who may wish to remain abroad beyond their original leave, should take care to apply for a renewal thereof in due time, so that such application may be received at this Office prior to the expiration of the former leave, as (unless very special circumstances can be stated in any particular case) no Half-pay can be paid for any period of absence abroad which shall not be covered by their Lordship's leave.

All applications, either for original leave, or for a renewal thereof, whether made through agents or otherwise, must be written by the Officer himself, and addressed to the Secretary of the Admiralty.

This regulation will take effect from this date, with regard to all Officers hereafter applying for leave; and from the first of January next, with regard to Officers now abroad on the Continent of Europe or North America; and after the first of July, 1822, with regard to Officers in other parts of the world.

Nothing herein contained is to authorize any Officer to draw for Half-pay who is not now entitled by Law to do so.

J. W. CROKER.

J. W. CROKER.

## ADMIRALTY-OFFICE,

Agent, or have entered or caused to be entered in a Public Order Book on board the Ship of the Commander in Chief, or the Senior Flag Officer commanding on the Station or in the Squadron to which such Vessel belongs; or in case of a Junior Flag Officer absent from the Commander in Chief, unless such Junior Flag Officer shall have notified under his Hand to the Commander in Chief, to be entered in the said Order Book, an Engagement in Writing in Form or to the Effect following:

I, *A. B.* am desirous of partaking in the Advantages, with the Risks attendant thereon, arising out of the Conveyance of Freight of Treasure in any of the Ships or Vessels in the Squadron, [*or, in the particular Ship, as the Case may be*]: And I hereby engage to make good to the Captain or Captains, Officer or Officers commanding such Ships or Vessels respectively [*or, Ship or Vessel, as the Case may be*], such Part of any Loss or Damage for which he or they may be liable in respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled:

And that such Share or Shares of the Admiral or Admirals as aforesaid, to which he or they shall not be entitled on the Conditions herein-before expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Articles shall be carried on Freight as aforesaid.

That in the Event of Loss or Damage happening to the Gold, Silver, Jewels, or other Articles so received on Freight, exceeding the total Freight Money, Greenwich Hospital shall not be entitled to receive any Sum on account of such Freight; and in Cases in which the Loss may not amount to the Whole of the Freight Money, Greenwich Hospital shall be entitled only to its Proportion of the Balance of Freight Money over and above such Loss or Damage.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

Given at the Court at *Carlton House*, this Twelfth Day of *July*  
One thousand eight hundred and nineteen, in the Fifty-ninth  
Year of His Majesty's Reign.

GOD SAVE THE KING.

(Circular to the Naval Commanders-in-Chief.)

ADMIRALTY OFFICE,

SIR,

29th May, 1821.

My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board his Majesty's ships for custody only, have decided, that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of his Majesty's ships) among the Captains, as freight for conveyance would have been ;—in all cases Greenwich Hospital is to have a share, and where, after any such *deposit*, new bills of lading, or new orders for *conveyance*, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c.

J. W. CROKER.

## ADMIRALTY OFFICE,

July 1st, 1824.

THE King having been pleased, by his Order in Council of the 23d June, to establish a new and improved Scale for Victualling His Majesty's Navy, a Copy thereof is subjoined.

There shall be allowed to every Person serving in His Majesty's Ships, the following Daily Quantities of Provisions, viz.—

Bread.....	One Pound,
Beer .....	One Gallon,
Cocoa .....	One Ounce,
Sugar .....	One and Half Ounce,
Fresh Meat.....	One Pound,
Vegetables.....	Half Pound,
Tea .....	Quarter of an Ounce.

When Fresh Meat and Vegetables are not issued, there shall be allowed in lieu thereof

Salt Beef .....	$\frac{3}{4}$ lb.	} Alternately.
and Flour .....	$\frac{3}{4}$ lb.	
Salt Pork .....	$\frac{3}{4}$ lb.	} Alternately.
and Pease.....	$\frac{1}{2}$ pint.	

And Weekly, whether Fresh or Salt Meat is issued, Oatmeal Half Pint, Vinegar Half Pint.

On the days on which the Flour is ordered to be issued, Suet and Raisins, or Currants, may be substituted for a portion of Flour, at the following Rate.

One Pound of Raisins being considered equal to One Pound of Flour.	
Half Pound of Currants	} ditto ditto.
Half Pound of Suet	

In case it should be found necessary to alter any of the above species of Provisions, and to issue others as their Substitutes, it is to be observed that

1 $\frac{1}{4}$ lb. of Soft Bread, or	} is to be considered equal to 1 lb. of Biscuit.
1 lb. of Rice, or .....	
1 lb. of Flour .....	
1 pint of Wine, or ....	} is to be considered equal to a Gallon of Beer
$\frac{1}{4}$ pint of Spirits .....	
1 oz. of Coffee, or ....	} is to be considered equal to 1 oz. of Cocoa.
$\frac{1}{2}$ oz. of Tea .....	
1 lb. of Rice, or.....	} is to be considered equal to 1 pint of Peas.
1 pint of Calavances, or	
1 pint of Dholl .....	

1 lb. of Butter ..... is to be considered equal to 1 lb. of Sugar.  
 2 lbs. of Cheese ..... are to be considered equal to 1 lb. of Cocoa  
 $\frac{1}{4}$  lb. of Onions, or of Leeks, is to be considered equal to 1 lb. of other vegetables.

Flag Officers, Captains and other Commanding Officers, will observe in the above Scale, and will fully explain to the Ships Companies under their orders, the advantages of this new system *viz.*, that what were called *banyan days* are abolished; that Meat, with Vegetables, Flour, or Pease, is to be issued every Day; that Flour, instead of being exchanged for a portion of Beef, will now become an article of the Men's regular Allowance, and that a quantity of Tea or Coffee, sufficient to make a Pint of liquid, will be issued every Evening.

It will be observed in the Table of Substitutes, that the quantity of Spirits to be issued in lieu of Beer or Wine is diminished One Half; but, in addition to the Pint of Tea or Coffee allowed in part compensation for this diminution of Spirits, His Majesty has been graciously pleased, in further and full compensation, to add Two Shillings per Month to the Pay of such Warrant Officers as do not rank with Lieutenants, and of each Petty and Non-commissioned Officer, Seaman, Marine, and Boy. As the diminution of Spirits only takes place when Beer and Wine are not issued, while the addition of Tea or Coffee and the increased Pay are permanent, it will be obvious how much this regulation is to the pecuniary advantage and comfort of the Ships' Companies, while it is confidently expected that the diminution in the article of Spirits will conduce to the Health of the People, and the good order and discipline of the Ships.

In addition to these advantages, it is intended that a certain portion of the Pay which may be due to each Warrant and Petty Officer (not allowed to draw Bills), and to each Non-commissioned Officer, Seaman, Marine, and Boy, who may be desirous of receiving it, shall be issued to them when in any Port abroad or at home, at the expiration of every One, Two, or Three Months, as the Captain may judge expedient, by way of Pocket Money, *viz.*, Four Shillings per Month to Warrant, Petty, and Non-commissioned Officers, Seamen and Marines, and Two Shillings to each Boy; but as the carrying this arrangement into full effect will require the sanction of the Legislature it is intended to submit a Bill to Parliament, early in the next Session, to authorize it; and in the mean while, in order to carry the same principle into effect as far as is at present practicable, the additional Two Shillings, now added to the Pay as compensation for part of the Spirits, will be paid to the before-mentioned classes, in the same way that *Short Allowance* Money is now paid.

The Lords Commissioners of the Admiralty, in communicating to the Fleet the gracious and beneficent intentions of The King, are satisfied that they will be received by the Officers and Men, as additional marks of His Majesty's favour, and as real and substantial improvements to the condition of the Petty and Non-commissioned Officers and Men.

*By Command of their Lordships,*

J. W. CROKER.

## ADMIRALTY-OFFICE,

July 1st, 1824.

HIS MAJESTY has been pleased, with a view to encourage and improve the Class of Persons intended to rise to the situation of Masters in the Royal Navy, to direct that a Class of Young Gentlemen intended for this Line shall be established under the title of *Volunteers of the Second Class*, ranking immediately after Volunteers of the First Class, with a Pay of £1 12s. per Mensem.

As it is intended that these Volunteers should be Persons of Education and attainments in such branches of Science as are connected with Navigation, Boys brought up at Christ's Hospital, or the Upper School of Greenwich, are to be considered as at once eligible to this Class, and Captains and Commanding Officers are authorized to appoint any such Boys to this rating.

If, however, any other Boys should offer for these situations, of adequate acquirements and abilities, the Captain or Commanding Officer will state the Name, Birth, Age, and Education of such Boy to the Secretary of the Admiralty, for their Lordship's sanction to his entry as a Volunteer of the Second Class.

His Majesty has been further pleased, in the same view, to establish a superior Class of Petty Officers, under the name of *Masters Assistants*, to rank immediately after the Midshipmen with a Monthly Pay of £3 11s.

These Officers are to be nominated by the respective Captains (except where the Lords Commissioners of the Admiralty may give special directions,) from the number of Volunteers of the Second Class, who may have served Two Years as such, or from any other Class, if the Person have the necessary information and acquirements, and shall have served in the Navy Three Years; but in case of any selection not made from the Volunteers of the First or Second Classes, or Midshipmen, the special case with the Name, Birth, Age, and Qualification of the Party is to be reported to the Secretary of the Admiralty.

Volunteers of the Second Class, and Masters Assistants, are to be considered on the footing of Young Gentlemen, and to mess with the Volunteers of the First Class, Midshipmen, Mates, &c.

If any Masters Mates, Midshipmen, or Volunteers of the First Class, now serving in the Fleet, should be desirous of being rated as Volunteers of the Second Class, or as Assistant Masters, the Captains and Commanding Officers are authorized so to rate them, agreeably to their respective Services and Qualifications; but Young Gentlemen entering into these Classes must observe that (although their pay be greater respectively than that of Volunteers of the First Class of Midshipmen), their promotion will (except in extraordinary cases) be confined to the line of Masters.

J. W. CROKER.

## ADMIRALTY-OFFICE,

19th June, 1827.

HIS Royal Highness the Lord High Admiral taking into his consideration the importance to His Majesty's Service of that valuable class of men; the Petty Officers of the Royal Navy, and desirous of giving them such encouragement as may render them more respectable in their own opinion and in that of the Seamen of the Fleet in general, has been pleased to make the following regulations:—

1. No Petty Officer of either class, shall be liable to corporal punishment as long as he is so rated, except by sentence of a Court Martial; but the Captains and Commanders of His Majesty's Ships and Vessels have the same authority as heretofore as to rating and disrating such Petty Officers, agreeably to their conduct and qualifications; and whenever a Petty Officer shall be disrated, it shall be mentioned in the Log Book, with the reason which induced the Captain so to disrate him: and when it shall be done as a punishment, that fact, and the circumstances of the misconduct shall be also reported in the Quarterly Return of Punishments.

2. Whenever a Ship shall be paid off, such of the Petty Officers as shall desire it, shall be turned over to the Flag Ship at the Port, and borne on her Books as Supernumeraries, with the same Ratings and Pay as in the Ships whence they came, and shall be allowed a reasonable interval of absence on leave, on their due return from which, they will be placed in sea-going Ships, with the same Ratings, and the Pay of the Rate of the Ship to which they shall be respectively appointed.

3. The Petty Officers (who have not already a uniform,) shall wear a mark of distinction on the upper part of the left sleeve of their jackets, viz.

Those of the Second Class, an anchor represented in white cloth, and Those of the First Class, a similar anchor surmounted by a crown.

The Navy Board will furnish these marks of distinction as soon as possible to the respective Stations, and the Captains and Commanders of the respective Ships will cause them to be affixed to the jackets of the Petty Officers.

By Command of His Royal Highness,

J. W. CROKER.

*To the respective Flag Officers, Captains,  
Commanders, and Commanding Officers  
of His Majesty's Ships and Vessels.*

## ADMIRALTY-OFFICE,

7th July, 1827.

His Majesty has been graciously pleased, by His Order in Council of the 30th of last month, to repeal all former Orders in Council regulating the appointment of Captains who may be passed over on Flag Promotions to be superannuated Rear Admirals, and to direct that the following Regulations shall be established in lieu thereof :

1st. Captains (if, by their characters and other qualifications, they are considered eligible by the Lord High Admiral, or the Lords Commissioners of the Admiralty) shall be deemed entitled to promotion as Flag Officers of the Fleet, provided they shall have commanded one or more rated Ship four complete years during War, or six complete years during Peace, or five complete years of War and Peace combined.

2dly. All Captains, who shall in future be set aside at any Promotion of Flag Officers, may be appointed "*Retired Rear Admirals*," with Pensions equal to the Half-pay of Rear Admirals of the Fleet, provided such Officers have retained an unblemished character, and have not avoided or declined service.

3dly. Captains not entitled under either of the before-mentioned Regulations to be promoted to be a Flag Officer on the Active List, nor yet to be placed on the Retired List of Rear Admirals, shall be altogether removed from the List of Officers of the Fleet, and shall receive Civil Pensions on the Estimates of the Navy equal to their Half-pay as Captains.

And His Majesty has likewise been pleased to direct, with reference to the 9th and 10th Articles of the 3d Chapter of the Regulations relating to His Majesty's Service at Sea, that the periods of time required to elapse before a Lieutenant can be promoted to the rank of Commander, or a Commander to the rank of Captain, shall be actually served by such Officers on board His Majesty's Ships and Vessels in their respective ranks.

By Command of His Royal Highness,

J. W CROKER.

## MEMORANDUM.

ADMIRALTY-OFFICE,

11th July, 1827.

It has been arranged by His Royal Highness the Lord High Admiral, and His Majesty's Secretary of State for Foreign Affairs, that whenever a Captain of one of His Majesty's *rated* Ships of War (in which denomination are included Commodores wearing Blue Pendants) shall signify, in *writing*, to the British Consul his arrival within the Port at which the Consul resides, the Consul (or Vice-Consul, in Ports where there is a Consul-General) shall take the earliest opportunity of waiting, *in person*, on such Captain, and of affording him any assistance which he may require: And that such Captains shall furnish a Boat to convey the Consuls on board, and reland them, on the Consul notifying his wish to have a Boat sent for him.

Commanders are, on their arrival at any such Port, to wait upon His Majesty's Consuls, but they are to be waited upon by Vice-Consuls according to the foregoing regulations.

It is understood of course, that both Consuls-General and Consuls shall, in all cases, wait upon Flag-Officers, and Commodores wearing a Red or White Pendant, on their arrival at the Port of their Residence, without waiting for any previous communication.

And His Royal Highness commands me to signify the same to the respective Flag-Officers, Commodores, and Captains of His Majesty's Ships, for their information and guidance; and that the Memorandum on this subject, dated 5th March, 1825, is to be no longer in force.

J. W. CROKER.

## ADMIRALTY-OFFICE,

11th August, 1827.

HIS Majesty's Principal Secretary of State for the Colonial Department, having communicated to His Royal Highness the Lord High Admiral the Rules which His Majesty's Government have laid down for regulating the Grants of Land in the Colonies of New South Wales and Van Dieman's Land, to Persons proceeding thither as Settlers, and having acceded to the suggestion of His Royal Highness, that it would be desirable to encourage Officers of the Royal Navy and Marines, of rank not inferior to Captains in the Army, to become Settlers in that Colony, by holding out to them superior advantages, in consideration of their Services; His Royal Highness the Lord High Admiral hereby makes known to the Officers of the Royal Navy and Marines, ranking as above, that the Regulations established by His Majesty's Government for the encouragement of Officers on Half-Pay settling in New South Wales and Van Dieman's Land, are as follows, *viz.*

Officers of all ranks on Half-pay are allowed to emigrate, and are not required to make any Deposit as Security, the intention being, that they shall obtain Grants of Land without Purchase, subject, however, to the Conditions hereinafter specified, *viz.*

The remission of Quit Rent shall take place for a certain number of years beyond the average period which is prescribed in the case of ordinary Settlers, according to the following Scale:—

Officers of the standing of Twenty Years and upwards, to be exempted from all Quit Rent.

Officers of Fifteen Years standing and upwards, but short of Twenty Years, to be exempted from Quit Rent for the first Twenty Years.

Officers of Ten Years standing and upwards, but short of Fifteen Years, to be exempted from Quit Rent for the first Fifteen Years.

Officers of Seven Years standing and upwards, but short of Ten Years, to be exempted from Quit Rent for the first Ten Years.

No Officer to be eligible under Seven Years' Service, nor any who

cannot produce satisfactory testimonials of good conduct and unquestionable character.

In other respects, the Conditions on which the Grants are made, to be similar to those which are now in operation in New South Wales.

The Officer to whom Land is granted, shall enter into a Bond, that he, or his Family shall reside for at least Seven Years in the Settlement, and the Grant shall not be allowed to be sold by him, until he shall be reported to have expended upon it a Capital equal to half its value, as that value was estimated when the Grant was made.

For instance, supposing the Grant, to be Two Hundred Acres, at the estimated value of 5s. per Acre, the individual will not be allowed to sell it until he shall be reported to have expended 25*l.* upon it. In the event, however, of his death taking place before the expenditure of Capital already alluded to, the Grant will be continued to his Heirs, but subject to the fulfilment of the Conditions under which he himself held the Grant.

The quantity of Land to be received by Officers will be in the same proportion to their Capital, as in the case of ordinary Settlers; but until an accurate valuation has been made of the Lands throughout the Colony, and an average price shall be fixed for each Parish, it is not possible for the Colonial Department to fix the quantity of Land which any Individual may be able to obtain in proportion to his Capital.

The quantity of Land to be granted, must depend entirely upon the value which that Land, either from local circumstances, or from its peculiar character, may possess; and this, as must be evident, can only be determined in the Colony.

The Officer who may avail himself of this offer, will be required to provide for his own Passage, and that of his Family, to the Colony.

The ordinary Rates of Passage are the following, as far as can be collected from the best sources of information which have been applied to:

*To New South Wales.*

## ADMIRALTY-OFFICE,

17th August, 1827.

HIS Royal Highness the Lord High Admiral desires that Officers, or other persons, having occasion to transmit Certificates and other documents either to His Royal Highness, his Council, or his Secretaries, will not send the *original* Certificates or documents, but only *copies* thereof, which copies will remain in this Office, annexed to the Letter or Memorial to which they may belong. If, however, the parties shall choose to transmit their *original* documents, they are to understand that they will not be afterwards returned to them, but retained in this Office for the purpose aforesaid.

This rule does not apply to the Smart Tickets or Certificates of Seamen or Marines applying for pensions from Greenwich.

By Command of His Royal Highness,

J. W. CROKER.

## ADMIRALTY-OFFICE,

17th August, 1827.

His Majesty having been graciously pleased, by his General Order of the 27th December last, to allow to Lieutenants on full pay in Regiments of the Line and of rank previous to the year 1812, the option of being promoted to the unattached rank of Captain, and placed upon the old rate of half pay of that rank, *viz.* five shillings per day, under certain rules and regulations set forth in the said order; His Royal Highness the Lord High Admiral has received His Majesty's most gracious consent, that in consideration of the meritorious services and very advanced standing of the Subaltern Officers of Royal Marines, the same indulgence may be extended to the first Lieutenants of that Corps, so far as the nature of the Service will admit, and there may be first Lieutenants on the half pay of the Corps to replace the Officers so promoted.

That the Officers so promoted shall be replaced by Lieutenants from the half-pay list who are in receipt of four shillings per day.—That the Widows of such Officers shall be admitted to the pensions of Captains' Widows—and that such Officers shall be eligible for re-employment on full pay as Captains, in the same order of succession as they would have stood for promotion had they remained first Lieutenants in the Corps.

By Command of His Royal Highness,

J. W. CROKER.
